We Serve All Populations

Hope & Healing recognizes that many people face barriers to reporting domestic violence and accessing services. It is our intent to provide a welcoming, non-biased, trauma informed environment for healing to all survivors of violence.

OUR MISSION

The mission of the Battered Women's Shelter is to lead the community in the prevention of domestic abuse by providing emergency shelter, advocacy, and education throughout Summit and Medina counties in an effort to break the cycle of abuse and help promote peace in every family.

We believe in healthy relationships for all.

BWS offers services to anyone experiencing intimate partner violence, sexual assault, stalking, and human trafficking. We offer programs and services to persons from all demographics (including adult males, elderly, LGBTQ, immigrants and refugees, deaf and hard of hearing, etc.) in Summit and Medina counties.

Support Hope & Healing

Your gift makes a difference in the lives of survivors.

Donations are the lifeblood of Hope & Healing Survivor Resource Center. Many of the services we provide to survivors, and our education and outreach in the community, would not be possible without these contributions. Donations are often matched by government grants, making your financial contribution two-fold.

Hope & Healing is always looking for volunteers and interns to advance our mission! Please join us through our National Accredited Volunteer Training.
